## Horizon Europe National Contact Points

Subject: Horizon Europe Matchmaking Event - Montenegro, 14 December 2021

Dear Sir/Madam,

The Ministry of Education, Science, Culture and Sports of Montenegro, together with the Ministry of Economic Development and the Chamber of Economy of Montenegro, is organizing an online **Horizon Europe Matchmaking Event – Montenegro on 14 December 2021**.

Over the course of one day, participants will be provided with an introduction to Horizon Europe programme and its prospects by speakers from the EU Commission, the Ministry of Education, Science, Culture and Sports of Montenegro, the Ministry of Economic Development and the Chamber of Economy of Montenegro, as well as the opportunity to connect with other participants.

The matchmaking event will provide prospective applicants from Montenegro with an opportunity to meet with international partners and discuss ideas for joint projects and build consortia. The main part of the event will include on-line bilateral meetings with partners interested in the same topics for 2022 calls. Following successful registration and submission of the cooperation profiles, participants will be able to pre-arrange bilateral meetings by using an online B2B tool.

The event will include:

1. **Panel session** hosted by speakers from the EU Commission, the Ministry of Education, Science, Culture and Sports of Montenegro, the Ministry of Economic Development and the Chamber of Economy of Montenegro.
2. **1:1 Meetings**. We will encourage participants from Montenegro to browse other profiles who have shown their interest in collaboration and schedule 1:1 meetings.

Registration is open to stakeholders with an ambition to participate in cooperation projects related to the destinations covered by Horizon Europe, including universities and research organisations, municipalities and municipal companies and enterprises, government agencies and NGOs, as well as businesses.

We would greatly appreciate if you could forward the invitation through your network. The [registration link for expression of interest](#) in attending the event is open until **1 December**.

Looking forward to hearing from you at your earliest convenience.
